

Policy Name:	Pretomanid	Policy #:	2729P
---------------------	-------------------	------------------	--------------

Purpose of the Policy

The purpose of this policy is to establish the criteria for coverage of pretomanid.

Statement of the Policy

Health Alliance Medical Plans and Health Alliance Northwest will approve the use of pretomanid under the pharmacy benefit when the following criteria have been met.

Criteria

1. Coverage Criteria

- 1.1 Treatment of pulmonary tuberculosis (TB) that is resistant to isoniazid, rifamycins, a fluoroquinolone and an alternative injectable antibiotic OR pulmonary TB resistant to isoniazid and rifampin
- 1.2 Member is treatment intolerant or non-responsive to standard therapy. [Treatment failure refers to failure of cultures to become negative during the course of treatment, or reappearance of positive cultures after the cultures convert to negative during treatment]
- 1.3 Age 18 years or older
- 1.4 Prescribed by or in consultation with an Infectious Disease specialist or pulmonologist (lung doctor)
- 1.5 Documentation that pretomanid will be used in combination with Sirturo (bedaquiline) and linezolid

2. Exclusion Criteria

- 2.1 Not to be used in those who have a contraindication to bedaquiline and/or linezolid
- 2.2 Drug-sensitive tuberculosis
- 2.3 Latent infection due to Mycobacterium tuberculosis
- 2.4 Extra-pulmonary infection (infection outside of the lungs) due to Mycobacterium tuberculosis
- 2.5 Multi-drug resistant tuberculosis in patients who are responsive to standard therapy and are not treatment intolerant

3. Managed Dose Limit

- 3.1 #30 tablets/30 days

4. Approval Period

- 4.1 6 months
